

## PRODUCT DATA SHEET

### HSP12 HEAVY-DUTY STAPLER

#### General Description

The HSP12 is a robust industrial-grade heavy-duty stapler designed for secure fastening in high-temperature environments, insulation systems, and construction applications. It offers compatibility with both 8mm and 12mm staples and is engineered for precision and durability.

#### Technical Specifications

Model Name	HSP12 8mm-stapler
Type	Manual heavy-duty stapler
Compatible Staple	8mm (5/16") and 12mm stainless steel
Staple Type	Industrial
Material	Powder coated steel body grip
Handle Design	Ergonomic, rubber coated comfort grips
Magazine Caps	100 staples
Application Use	Four faced insulation, fire curtains, fire barriers
Dimensions	230 mm x 150 mm
Weight	0.5 kg / 0.8 kg

#### 8mm Staples

Length	8 mm (5/16")
Material	Galvanized steel
Crown Width	10.6 mm
Finish	Anti-corrosive
Applications	Light insulation, paperboard vapor barriers, Thick insulation, multi-layer laminates, Fire barrier installation

#### Packaging Information

Packing Unit	1 unit per box
8mm Staples	5,000 staples
12mm Staples	5,000 staples

## Compliance & Standards

- CE-Certified
- RoHS Compliant
- Meets EN 14586 (mechanical fasteners for gypsum plasterboard systems)
